

# THE FEDERATION

of Animal Care and Control Agencies

## 2012 Member Benefits

### Join Today & Receive These Standard Benefits!

*The Federation is a collective voice dedicated to humane treatment of animals in Washington State through legislation, training, programs & support services.*

**• Opportunities to Apply for Grant Funding**  
The Federation administers a fund to grant money to member agencies to increase the total number of spay/neuter surgeries performed by their organization. Member agencies can also apply for Emergency Animal Relief funding in the event of a disaster or emergency. For example, to purchase a generator in the event of a flood.

**• Representation in Olympia**  
The Federation maintains a presence in Olympia and tracks legislation affecting animals in our state. Members receive periodic legislative updates and have a voice in the promotion of animal welfare in Washington State. The Federation networks with local and national agencies to leverage the influence that our vast membership can have on policymakers.

**• Professional Development & Training**  
Members receive notice of upcoming Federation sponsored regional trainings as well as lower, members-only registration fees. All Member organizations receive one \$15 coupon towards a Federation-sponsored workshop.

**• Washington Animal Population Survey**  
The Federation annually surveys animal organizations throughout the state to compile statewide statistics. Member agencies receive free on-line access to the survey results.

**• Free job postings** on the Federation website.
